

Tasking Memorandum No. 99-248

Memorandum For Commanders, Defense Contract Management Districts,
Selected DCMC CAOs (see Distribution)

Subject: "Program Integration (PI) on-line Resource Center Pilot" (TASKING)

Date:

Suspense Date: August 27, 1999

Target Audience: Program Integrators

Requirement(s):

- The former Program integration (PI) course has been updated and converted into an Internet-based, on-line Resource Center. The pilot test for the PI on-line Resource Center is scheduled for August 16-27, 1999. The test will be conducted at selected CAOs via the Internet.
- Information on how to access the **website** to review the PI on-line Resource Center will be **emailed** to those CAOs selected to participate in this pilot test by August 16, 1999.
- Request you review and evaluate the Resource Center with respect to the following :
 - Content
 - Accuracy of information
 - Applicability to the Program Integrator
 - Additions or deletions
 - Ease of use and access
 - Organization of **website**
- All comments should be sent via **email** or facsimile directly to the DCMC Lead Agent for Program Integration training NLT August 27, 1999. Comments must include person's name, phone number, and **email** address.
- **PLAS** code for reviewing materials: 217A, Develop /Conduct training

Point of Contact for Submittal of Comments and/or Further Information:
